

Barnet SACRE Report September 2015 – August 2016

Three meetings were held, these took place on the 1st December 2015, 2nd March & 8th June 2016 all at Hendon Town Hall.

Chair's report

It is heartening to know that RE continues to be in the news & discussion on its value to children & young people examined. There have been a number of important publications that have implications for SACREs & RE, information has been circulated to all SACRE members through the termly newsletter & there are opportunities at each meeting to discuss any implications or clarifications. All material is included on the Barnet SACRE website. Publications have included: *'A New Settlement: Religion and Belief in Schools'* by Charles Clarke and Linda Woodhead; *'Living with Difference, the report of the Commission on Religion and Belief in Public Life'*, the report celebrates the role that religious education plays in preparing pupils for life in Modern Britain. *'RE for Real'* from the Faiths & Civil Society Unit at Goldsmiths, University of London released a major new report on RE in secondary schools. The report highlights broad support for Religious Education from students, parents, and employers.

After the presentation made to the Scrutiny Committee last year the chair of SACRE has been invited to attend Education committee meetings.

A training programme for new & established SACRE members is in place & joint visits to places of religious interest have continued by teachers & SACRE members in London. This year SACRE members joint Manorside Primary School to visit the Fo Guang Shan Buddhist Temple, (in the Mahayana tradition) & All Saints Church both in Margaret Street. It was an opportunity for SACRE members, teachers & pupils to look at what make a visit to a place of worship educationally valuable. After the visit materials will be produced for other teachers to use.

The Directory of Places of Worship has been updated & is used by teachers to build links with faith groups in their locality.

The joint Barnet & Enfield bid for a Westhill grant entitled *'Faith Ambassadors in Schools: Encounters & Understandings'* was successful. The young people discussed the project at the June SACRE meeting & came with their teachers, head teacher, parents & friends to receive hospitality & certificates. It was suggested that a

presentation could be made at the next head teachers briefing in November 2016 to include the role of SACRE, the Westhill Project & the REQM.

The Faith presentations continued & this year these included three excellent sessions: at the December meeting a presentation on the Society of Friends by Cllr Claire Farrier; a presentation at the March meeting on Hinduism by Mrs Veena Vendi & at the summer meeting the Westhill project was the focus.

Membership changes: at the end of the year we said goodbye to Janet Robinson who had served SACRE as clerk for many years with great commitment & dedication there will be a formal acknowledgement of her contribution at a future meeting.
