# **ANNUAL REPORT** *of the* Cheshire East Standing Advisory Council on Religious Education **2012-13**

December 2013

## **1 Introduction**

I am delighted to introduce the latest SACRE annual report for the authority of Cheshire East. The report covers the period from September 2012 to August 2013.

During this past academic year we have once again been able, by careful management of resources, to continue to provide support for religious education in our schools through our two officers who have advised SACRE, led twilight and network meetings and supported the subject in schools through emails and telephone calls. During such an important year for education this has been invaluable in keeping religious education at the forefront of our minds in the sea of change.

The first meeting of the Cheshire East 2012-13 took place on 2nd October 2012 at Knutsford Academy with presentations from two Cheshire East schools who had been awarded the REQM. Holmes Chapel Academy & Sixth Form College then kindly hosted the next SACRE meeting on 27<sup>th</sup> February 2013 and in June we were welcomed by the RE department of Shavington High School.

Lois Wilkinson, clerk to the SACRE has continued to provide invaluable administration support for our activities.

Once again I am grateful for the knowledgeable support provided by my fellow councillors and members of our local faith communities as well as our officers.

**Councillor Steve Wilkinson**  
**Chair of CE SACRE**

## 2. RELIGIOUS EDUCATION IN CHESHIRE EAST SCHOOLS

### 2.1 Locally Agreed RE Syllabus

#### ***Engaging Encounter & Reasoned Response***

**The Cheshire East Religious Education Agreed Syllabus was launched in July 2011.** The locally agreed syllabus is the statutory syllabus for RE in Cheshire East schools prepared under schedule 31 to the Education Act of 1996.

**It must be followed in maintained schools without a designated denomination and all church controlled schools within the local authority.** Copies of the syllabus CD Rom can be obtained from Lois Wilkinson clerk to the SACRE

Ofsted use the local syllabus as the yardstick by which their inspectors make their judgements on the delivery of the RE curriculum in individual Cheshire East schools.

The existing syllabus is further supported by in-service training (INSET) led by two part-time consultants who are also available to lead INSET for staff in response to requests from schools, provided that schools are able to buy in their support. Telephone and email advice is also often sought and provided by the consultants.

## 2.2 Monitoring the Agreed Syllabus

**The SACRE have a statutory duty to monitor the impact of the locally agreed syllabus.**

**Analysis of Ofsted Reports** – Please refer to minutes of SACRE meetings for full details which can be found on the Cheshire East SACRE website.

Analysis of Section 5 Ofsted inspection reports which identifies the performance of schools with respect to spiritual, moral, social and cultural aspects of the curriculum continues to give a simple indicator and point to school performance in RE. The reports for schools in the authority which have been visited by Ofsted are analyzed for each SACRE meeting and reported upon. If concerns are raised then advice and support can be offered by the two advisory consultants, Sue Glover (Primary) and Sue Wilson (Secondary).

Under the Ofsted reporting system, detailed information about RE is not available, unless it was through a previous HMI religious education subject survey visit. No RE HMI subject surveys were made during the last academic year and these have now been discontinued. SACRE members remain concerned about how RE is often marginalized in schools. A lack of contact with diverse communities or other cultures within the local area continues to make it difficult for schools to fully demonstrate a well developed understanding of other faiths and cultures. Consultants have highlighted this concern with colleagues at network meetings and encouraged staff to consider how they could ensure that more visits to places of worship or visiting guest speakers can become regular parts of the RE curriculum.

## 2.3 Standards in Religious Education

### 2.3.1 Examinations in Religious Studies

The report is based upon the provisional statistics for 2013.

A total of 17 Cheshire East secondary schools entered candidates for the full GCSE course in Religious Studies in 2013. This is one more than last year. 18 schools entered candidates for the short course and 14 entered candidates for both. The four main examination boards were used.

#### GCSE Full Course

In GCSE full course there has been a significant increase in the number of pupils taking the examination. 82.8% of candidates achieved grades A\*-C. This is a fall from last year (89.7 %)

The comparable national figures are unavailable at present.

#### GCSE Short Course

A smaller number of students were entered this year. 62.9% achieved grades A\*-C. This is above last years' result (57.1%).

The national figures are unavailable at this time.

#### GCE 'A' level

74 students were entered for this examination, a fall on last year (89, 92 in 2011) 60.8% achieved grades A\*-B, 100 % achieved grades A-E. This reflects a lot of hard work by students and staff, who are to be congratulated.

### Comment

- It is not clear if the percentages of the cohort who are not entered for any examination are receiving their entitlement of RE lessons in KS4. We know that some students are not, yet Ofsted rarely tackle this issue.
- Some schools are starting GCSE courses in Year 9. Early entry means that KS3 has been impoverished in time and depth. The foundations for good understanding at GCSE are undermined.
- The significant fall in numbers entered for GCSE short course may be the result of the introduction of the English Baccalaureate and the other changes to the short course in 2014. The fall in numbers doing AS and A level will need to be monitored.
- The increase in the numbers opting for full course is reassuring confirmation of the popularity of the subject amongst students.

### 2.3.2 Monitoring of Secondary RE Departments

Support was offered by Sue Wilson (employed for 10 days) through telephone calls, emails and network meetings. The **network meetings** covered areas of concern such as changes to KS4 and 5, the new Ofsted HMI report, the RE review, as well as allowing colleagues to share good practice and resources. We also said farewell to three long serving heads of department.

#### Subject strengths

- 100% of students at 'A' Level achieved A-E grades. 60.8% of these were grades A\*-B. an increase on last year (52.8%)
- Cheshire East SACRE has been able to fund 4 'twilight' inset sessions, two in the north and two in the south of the authority, to ensure some access to professional development for teachers of RE.

#### Areas for development

- The continuing impact of the changes to KS4 needs to be carefully monitored
- Some schools are not fulfilling the legal requirements at KS4, in terms of time allocation.
- Early entry for GCSE means that the KS3 RE curriculum is reduced and in some cases, Year 11 students are not receiving their legal entitlement to RE.

## 2.4 Teaching Methods, Advice, Materials, Training

### 2.4.1 Artefact Bases- Materials

- A substantial collection of religious artefacts purchased previously by SACRE are held at Knutsford Academy who will lend it to local primary schools on request. *Please contact Chris Perry 01565 633294.*
- There is another collection of artefacts in the south of the authority at Sir William Stanier High School. *Please contact Bryony Fordham 01270 583431*

### 2.4.2 Advice and Inset Training for Teachers- Provided by Consultants

#### Primary Schools

- More than 35 primary schools were given email or telephone advice during the academic year. Support was mainly given to RE subject leaders or Headteachers. Advice was primarily based on planning the primary curriculum, assessment and implementing the requirements of the locally agreed syllabus. A small number of queries centred around collective worship.
- Four primary school network meetings sponsored by SACRE were held in different areas of the county. SACRE is grateful to Goostrey, Smallwood CE, Monks Coppenhall and Vernon primary schools for hosting the meetings. These were attended by over 60 teachers. This was a unique opportunity for subject leaders to come together to share good practice. The main emphasis of the meetings was to look at practical delivery of the agreed syllabus. Following the success of sample medium term plans circulated to schools last year, short term lesson plans were developed to support the implementation of the syllabus. These were sent to all primary schools in the summer term. The plans are a supplement to the locally RE Agreed Syllabus (2011) and a flexible tool for assisting teachers to use with their own school planning. Copies can be obtained from Lois Wilkinson clerk to the SACRE or Sue Glover, Primary RE Consultant, ([sue@gloves.freeserve.co.uk](mailto:sue@gloves.freeserve.co.uk)). Schools are free to use, improve on or disregard the supplementary documents as required. (NB These plans are not an actual RE Scheme of work that can be picked up and used without alteration).

#### Secondary Schools

- Cheshire East SACRE has been able to fund 4 'twilight' inset sessions. Tytherington, Kingsgrove and Wilmslow High schools kindly provided the venues.
- Other support was offered through telephone calls, emails and network meetings included: supporting new heads of department.
- We also said farewell to three long serving heads of department, who have served our youngsters generously. Dr David Kay at Holmes Chapel who has been promoted, Mrs Sheila Collins at Macclesfield High and Mrs Kath Schorah from Kingsgrove who have both retired. We wish them every happiness and success in this next stage of their lives.

**Notices about courses, network 'twilights' and other initiatives are given via the Cheshire East bulletin.**

## 2.5 Complaints

There have been no complaints to the LA during the past year in respect of RE, requiring the LA's Special Appeals Committee to be convened.

### **3 COLLECTIVE WORSHIP**

#### **3.1 Supporting Collective Worship**

All previously published material giving guidance for collective worship still stand in respect of the law.

The School and Standards Frameworks Act 2006 continues to reflect the current law governing collective worship. NASACRE (National Association of Standing advisory Council for RE) have produced a paper giving further insights into collective worship which is available on request.

Under the Ofsted framework, inspectors do comment on the opportunities for spiritual development in schools.

Further advice and materials are available from both the primary and secondary RE consultants.

#### **3.2 Determinations**

The SACRE has not been called upon during the past year to make any determinations concerning collective worship.

#### **3.3 Complaints**

There have been no complaints to the LA during the past year in respect of collective worship requiring the LA's special Appeals Committee to be convened.

## **4 LINKS WITH OTHER AGENCIES**

### **4.1 National and International**

The Cheshire East SACRE is a member of the National Association of Standing Advisory Councils for Religious Education (NASACRE).

Jane Brooke, previously a chair of NASACRE is a member of Cheshire East SACRE. Jane is an independent consultant and has previously worked as an RE Project Development Officer for the National Society. She is also the Principal Consultant for Chester Diocese and together with her colleague Mary Myatt has pioneered the national REQM (RE Quality Mark). Several awards have been given to Cheshire East schools including the gold standard. The overall aim is to celebrate outstanding RE practice in schools and further details can be found at [www.reqm.org](http://www.reqm.org). Sue Glover and Sue Wilson, Cheshire East RE Consultants are REQM assessors.

October 2013 saw the publication of two new documents which have the potential to govern and shape the future of religious education.

The first report which was the last HMI subject inspection report for religious education published by Ofsted. The report is based on evidence drawn from 185 schools visited between September 2009 and July 2012. It also draws on evidence from a telephone survey of a further 30 schools, examination results, other reports published by Ofsted, extended discussions with teachers, members of standing advisory councils on religious education (SACREs) and other RE professionals, and wider surveys carried out by professional associations for RE. 'Realising the Potential' the full report can be found at: <http://www.ofsted.gov.uk/resources/religious-education-realising-potential>

The second report was a non statutory religious education subject review led by the RE Council designed to complement the review of the rest of the curriculum also published last term. Sue Wilson Secondary Schools Consultant for Cheshire East was a member of task group two in this National Review of Religious Education. This was launched at the Houses of Parliament on 23<sup>rd</sup> October 2013. Copies of this document are available on the REC website [http://resubjectreview.recouncil.org.uk/media/file/RE\\_Review.pdf](http://resubjectreview.recouncil.org.uk/media/file/RE_Review.pdf)

The report 'RE in English schools Non Statutory Guidance 2010' was the last government document published that gave in depth guidance on RE. The DFE have welcomed the two new reports from the REC and Ofsted. We await further guidance on how they may impact RE in the future.

Sue Glover Primary Schools Consultant for Cheshire East attended the NASACRE AGM in London in May of this year and reported back the key messages to the Cheshire East SACRE. Members of Ofsted, REC and the DCSF also took part. It is hoped that SACRE members will continue to attend national events in future years, funding permitting. The NASACRE Newsletters 'SACRE News' are much valued by SACRE members, providing useful insight into the activities of SACREs and the teaching of RE across the country. The Diocese of Chester has continued to fund Sue Glover, Primary Schools Consultant to support religious education in Cheshire East Church primary schools as part of their work in schools.

### **4.2 Local and Regional**

Cheshire East SACRE has links with the local Macclesfield Interfaith Group. The Cheshire East faith audit producing local data is of valuable assistance in the SACRE's work.

Cheshire East SACRE continues to have some links through the in-service programme with the University of Chester and Chester Diocese

Jane Brooke continues to support the Rochdale SACRE and also works for Chester Diocese.

As well as supporting Cheshire East primary schools as a consultant Sue Glover also serves on Cheshire West SACRE and works for Chester Diocese supporting RE and Collective worship in Church of England schools.
