Annual Report

September 2013 - August 2014

Meetings

The full Liverpool SACRE has met three times since September 2013. Copies of the minutes of these meetings are enclosed with this report.

A secondary teacher representative on SACRE is on the executive and steering group of the National Association of Teachers of RE and another co-opted member of SACRE has been elected vice-chair of National Association of RE Inspectors and Advisers. Liverpool SACRE arranged a one-day CPD conference on RE and collective worship which took place during the autumn term 2013. BDBE was commissioned to deliver the CPD at the conference. As part of the commissioned project each school received an extensive bank of resources advice and guidance to support collective worship.
- Liverpool SACRE was pleased that 2 members were able to attend the NASACRE AGM in May 2014.
- Liverpool SACRE has developed positive links with other local SACREs.
- Liverpool School Improvement Service has facilitated RE teacher networks and has provided bespoke support for RE to individual schools as required
- The SACRE action plan has been updated
- Standards in RE are monitored via analysis of results in secondary schools at GCSE and GCE A Level
- Liverpool SACRE provided funding to support several teacher's and SACRE member's attendance at a 'Raising Confidence in RE Teaching and Learning' CPD event
- An Agreed Syllabus Conference has been convened and has met on several occasions to conduct a review of the locally agreed syllabus. The review is on-going. SACRE has maintained an overview of the agreed syllabus review.

SACRE Documentation

Minutes

Liverpool SACRE encourages all members to attend meetings. If members are unable to attend they are encouraged to send a deputy to attend meetings if possible. Minutes are circulated to members soon after each meeting with actions arising clearly stated.

Action Plan

We have an action plan in place for 2011 - 2015.

Advisory Support for RE

The current LA School Improvement Officer with responsibility for RE joined SACRE in January 2011.

Liverpool LA provides administrative support for SACRE. This includes taking minutes at SACRE meetings, maintaining the contacts list for members, circulation of invitations to meeting and associated documents and handling general correspondence relating to SACRE.

Both LA School Improvement Officer with responsibility for RE and Clerk to SACRE are based at Toxteth Annexe Conference Centre, Aigburth Road, Liverpool L17 7BN.

Collective Worship and RE

Determinations

SACRE has not received any requests for determinations with regard to Collective Worship, either this year or in previous years. Any school wishing to explore the relevance of a determination (daily collective worship which is other than 'wholly or mainly of a broadly Christian character) in their context should contact the local authority officer, Gill Lawson. Church schools are not eligible for a determination. For an academy wishing to apply for a determination the correct process is for the Trust to apply through the Education Funding Agency (EFA) to the Secretary of State.

Complaints

There have been no complaints concerning RE.

There have been no complaints under the statutory complaints relating to Collective Worship.

Finance

Liverpool SACRE has a small budget which is managed by the LA School Improvement Officer. This enables attendance at conferences, opportunities to run CPD for teachers, for example a conference on Collective Worship, and other activities to support RE in Liverpool.
