10th-17th November

Linking Faiths, Beliefs, and Communities

Sharing My Story: Building Our Future

Join us for Interfaith Week to foster empathy, understanding, and social cohesion among students while enriching their knowledge of diverse faiths and beliefs!

Why celebrate Interfaith Week?

Engaging with Interfaith week will help contribute towards:

- Your statutory duty to promote Community Cohesion
- Celebrating diversity within your school and local communities
- Exploring pupils' individual identity and shared humanity
- Developing and strengthening your school values, ethos and community
- Building stronger links with your local communities
- Your statutory duty to promote the spiritual, moral, social and cultural development (SMSC) of your pupils.

How can we help?

- By offering a curated selection of resources, relevant to the theme, so you can celebrate Interfaith Week in your classroom
- By suggesting 10 key events, activities and approaches your school can choose to run during the week
- In running live webinars for you to join in assemblies or in class, also recorded to be accessed throughout the year
- By sharing stories and images of your work after the week
